

A SERRIED PASS WAY

- *There's a road very busy*

By having a dense traffic

No place to walk along

No interstice to cross over

- *Then came a plump man*

Who tried to cross over

Was stuck in the middle

With his feet being crushed

- *Then came a man providentially*

Who was slim, agile, brawny

Came to rescue the rotund

None other than a policeman.

GLOSSARY

Interstice = space

Plump = fat

Providentially = fortunately

Brawny = strong

Rotund = fat man
